

HJS Nano ITX motherboard Intel Core 13th Gen

Features :

- * Support Intel Core series 13th gen desktop i3 i5 i7 CPU
- * Support M.2 2230 WIFI interface(Optional onboard WIFI)
- * Motherboard has one-key restore function, network wake-up, scheduled startup function, and power-on auto-start function
- * Front HDMI plus VGA display interface
- * 1 standard 7Pin SATA female connector and M.2 2280 solid state drive interface
- * Motherboard supports 1 COM port and supports RS232 by default
- *The panel has an HDMI high-definition interface display output, which can reach up to 4K60Hz display

Specification

Processor	Support Intel Core series 13th Gen desktop I3 I5 I7 CPU
Model	HJS H610-I
Chipset	Intel H610
Type	All-in-one/mini PC industrial control motherboard
Processor	Support Intel Core series (12th/13th generation desktop I3 I5 I7 CPU)
Memory	Single channel SODIMM DDR4 supports up to 32GB
Storage	1*standard 7Pin SATA female connector and M.2 2280 solid state drive interface
Display Interface	1*HDMI female Type-A 3840*2160@60Hz
	1*HDMI pin interface (2x8) supports 3840*2160@60Hz
	1*standard female VGA 1920*1080@60Hz
	1*EDP 2*15Pin2.0mm Double row pin 1920*1080@60Hz
	1*LVDS 2*15Pin2.0mm Double row pin 1920*1080@60Hz
USB	4*USB3.0 female Type-A
	4 sets of USB2.0 2*5Pin2.54mm double row pins
Network	Onboard RTL8111 Gigabit network card, a standard RJ45 interface 10M/100M/1000M adaptive
	M.2 2230WIFI interface, supports 2.4G/5G dual-band WIFI
Audio	Onboard RTL ALC897 HD sound card, audio output (green) Mic input (pink). Front panel pin 1 pc
	2*5Pin 2.54mm double row pin, 8 ohm 5W speaker output 1 pc 4Pin 2.0mm white socket
COM Ports	1*2*5Pin 2.54mm double row pin (RS232)
Extensions	M.2 2230 Wifi interface .SATA hard disk interface
Fan	2*4-pin black sockets (1 IO speed control, 1 fixed speed)
Power supply requirements	3.5mm DC-IN socket 12V/120W adapter input /ATX 4Pin power socket 12V@10A power input
Button	1*GHOST button
Size	170mmX170mm
